DESCRIPTION OF SENIOR MANAGEMENT OF APPLICANT

SECRET ROOM

Rex Adams, Group President-BellSouth Long Distance Services

Rex Adams is Group President of BellSouth Long Distance Services, an internal business unit within BellSouth Corporation. Mr. Adams, among other responsibilities, has been responsible for leading BellSouth's entry into the consumer and business long distance markets, calling card services, wireless, wholesale, operator services, and 1+ domestic and international calling plans. Mr. Adams is also responsible for the management of BellSouth's industry leading portfolio of voice, data and IP services, and the development and commercialization of future products and services to meet customer needs in today's rapidly evolving markets. This portfolio ranges from local and long distance voice services, DSL Fast Access products, Business IP and data services.

He has held a variety of positions with BellSouth, most recently Vice President and General Manager-eBusiness Services, where he was responsible for BellSouth's Hosting and Internet Services. Mr. Adams has also worked in BellSouth Billing, Inc., Corporate Planning and Development, BellSouth Information Technology Organization and was Vice President-Planning and Development and Administration at BellSouth Long Distance. He was instrumental in the initial planning, strategy and resourcing of BellSouth Long Distance in its preparation for wire line entry in May 2002 and its initial success.

Before joining BellSouth in 1994, Mr. Adams was a consultant at Monitor Company, a strategy consulting firm that was founded by Harvard Business School professor Michael Porter. While at Monitor Company, Mr. Adams was involved with clients in a number of industries, including oil and gas, the retail sector, and telecommunications.

Mr. Adams is a graduate of the Harvard Business School and a graduate of the United States Military Academy at West Point.

Mario L. Soto, President

Mario Soto is President of BellSouth Long Distance, Inc. ("BSLD") as well as BellSouth BSE, Inc. ("BSE"). Mr. Soto has over thirty years experience in the telecommunications industry. He has worked for Southern Bell Telephone Company, AT&T Corporation, and different affiliates within BellSouth Corporation. Mr. Soto has held various positions in Engineering, Pricing, Market Management, Product Management and Regulatory within BellSouth and AT&T.

Mr. Soto attended the University of Florida where he earned a Bachelor of Science in Electrical Engineering Degree in 1970 and obtained a Master of Electrical Engineering Degree in 1971. He also earned a Master of Business Administration Degree from Georgia State University in 1980.

Harris R. Anthony, General Counsel

Mr. Anthony arrived at BellSouth Long Distance in early 2000, but has worked in BellSouth's Legal Department since 1977. He began his career with BellSouth as a labor attorney, then was BellSouth Telecommunications, Inc. ("BST"), General Counsel for Georgia and, later, BST General Counsel for Florida. He returned to Atlanta in 1994, where he assumed responsibility for BellSouth's Commercial Attorneys.

Mr. Anthony graduated Magna Cum Laude from Colgate University and went on to earn his Juris Doctorate from Duke University School of Law.

John H. Stuhrenberg, Vice President - Business Services

John H. Stuhrenberg, Vice President - Business Services, is responsible for the overall development and management of the current generation of business products sold by BellSouth Long Distance. These responsibilities include the management of BellSouth's carrier vendor and equipment manufacturer relationships and the strategic development of a common systems interface for the carrier vendors.

Prior to his current assignment, Mr. Stuhrenberg was Vice President - Sales Support, with responsibility for contract management, custom product development, tactical pricing, bids management, technical support for BellSouth's large business customers and sales operations responsibilities for the BellSouth Business channels.

Mr. Stuhrenberg started his career with Southern Bell in 1982 after working for two small consulting firms. Since that time he has held a variety of positions of increasing responsibility within BellSouth. These positions included work on project management for the world's largest private voice network, the development and introduction of BellSouth's Public Packet Switched Network, and the responsibility to build and lead an organization to effectively market and support all of BellSouth's data products and services.

Mr. Stuhrenberg holds a Bachelor's Degree from Valparaiso University and a graduate degree from the University of Georgia.

Sam Hastings, Vice President - Marketing, Mass Market & Wholesale Services

Sam Hastings, Vice President - Marketing, Mass Market & Wholesale Services, is responsible for development of Consumer and Small Business long distance products and services, sales, marketing and operations for BSLD's wholesale business.

Mr. Hastings has held a variety of positions of increasing responsibility since joining BellSouth in May of 1997. Before his most recent assignment, Mr. Hastings was Vice President & General Manager of Sales for BellSouth Small Business Services with responsibility for seven sales centers and six outsourced partnerships covering over a million small-medium business customer locations.

In addition, Mr. Hastings served as Sales Assistant Vice President of BST's Interconnection Services wireless segment. In this position, he was responsible for sales of interconnection services to wireless, PCS and paging customers.

Before joining BellSouth, Mr. Hastings was a senior manager at Nortel Networks in Atlanta, where he was responsible for the BellSouth Sales Center. He effectively managed many resources in order to design, manage and coordinate the processes that interface with multiple BellSouth organizations.

Mr. Hastings holds a Bachelor's Degree in Business Administration from Georgia State University and received his Master's Degree in Business Administration from Georgia State University in 1994.

Joe Gilman, Vice President - Operations & Implementation

Joe Gilman is Vice President - Operations & Implementation. In this role, he is responsible for the network planning, network operations, customer care operations planning, service delivery, service assurance and customer care functions of BellSouth's long distance operations. Prior to his current assignment, he was Vice President - Business Planning in BellSouth International. He had responsibility for directing planning activities for competitive fixed network and long distance opportunities in Europe for two years while he was based in BellSouth's European headquarters in Brussels, Belgium. Prior to that, he was responsible for oversight and management of BellSouth's operating interests in the Asia/Pacific region, including Optus Communications in Australia, the second telecommunications carrier for Australia.

In his thirty plus year career with BellSouth, Mr. Gilman has held a number of technical management positions within BellSouth Telecommunications, including responsibility for switching engineering, new services implementations, circuit provisioning and network operations.

In 1990, Mr. Gilman was awarded a Master's Degree in Management of Technology from the Massachusetts Institute of Technology. He also holds a Bachelor's Degree in Mathematics from Kentucky's Morehead State University.

William D. Schneider, Secretary

William Schneider, Secretary, has been a part of the BellSouth Long Distance team since 2003. Prior to joining BellSouth Long Distance, Mr. Schneider held several positions of increasing responsibility within the BellSouth Finance organization including Controller, BellSouth Technology Group; Controller, BellSouth Affiliated Services Corporation; Manager Regulatory Accounting, Assistant Manager, External Reporting and Corporate Books Manager, at BellSouth Corporation. Mr. Schneider worked at Deloitte & Touche prior to joining BellSouth.

Mr. Schneider holds Master of Accountancy and BBA degrees from the University of Georgia and is a Certified Public Accountant.

Mike Reagan, Chief Information Officer

Mike Reagan, Chief Information Officer, was part of the BellSouth Long Distance Information Technology ("IT") organization from 1996 to 2001. Prior to joining BellSouth, Mr Reagan held a number of positions with Sprint and MCI. In all, Mr. Reagan has been in telecommunications for 19 years and has held positions in network engineering, sales support, product development and information technology.

As CIO, Mr. Reagan is responsible for all IT planning and strategy, architecture, application development, application support, operations and project management for BellSouth Long Distance. In addition to his IT responsibilities, Mr Reagan is responsible for all billing operations for BSLD. Mr. Reagan has a Bachelor's Degree in Electrical Engineering and Mathematics from Geneva College in Pennsylvania.
